

 Projects	 Client	 Date	 SP Strategic Planning	 CS Conceptual Study	 FS Feasibility Study	 MS Market Study	 TE Technology Evaluation	 FE Financial Engineering
Project Feasibility of the GTPP - Revising	 QIPICO شرکت نفت پارس کیمیا	Qeshm International Petrochemical Industries	2017			★	★	
Feasibility Study of Methyl Diethanolamine (MDEA) Project	 شرکت نفت پارس کیمیا	Marun Petrochemical Company	2017			★	★	
Review of the Methanol Industry with the Approach of Market, Economy, and Technology Study	 گروه شرکت نفت پارس	Parsian Oil and Gas Development Group	2018	★	★			
Conceptual Study on the Effect of Feed Pattern on the Construction of Secondary Olefin Production Unit	 شرکت نفت پارس کیمیا	Bandar Imam Petrochemical Company	2018	★	★			
Market Study and Techno - Economic Analysis of the Value Chain of Pars Petrochemical Company Products	 شرکت نفت پارس کیمیا	Pars Petrochemical Company	2020	★		★	★	
Global and Local Market Study of Aromatic Products	 ENERCHIMI	Enerchimi Engineering Company	2020				★	
Hydrogen Peroxide Project Feasibility: Market, Technology and Economic Analysis	 توسعه انرژی عمرات ایده ایدea	Idea Energy Civil Development Company	2020			★	★	★
Acrylic Acid Project Feasibility: Market, Technology and Economic Analysis	 توسعه انرژی عمرات ایده ایدea	Idea Energy Civil Development Company	2021			★	★	★
Formic Acid Project Feasibility: Market, Technology and Economic Analysis	 نگین حدید آسیا	Negin Hadid Asia Company	2021			★	★	★
Analysis of the Petrochemical Industry in Iran and the World to Design an Optimal Investment Strategy	 گروه توسعه انرژی نفت و گاز لوان Lavan oil & Gas Energy Development Group	Lavan Oil & Gas Energy Development Group	2021	★	★			
Analysis of Propylene Value Chain for Identifying Interesting Products and Offering a Portfolio of Products for Investment	 شرکت توسعه نفت و گاز رضوی	Razavi Oil and Gas Development Company	2021	★	★		★	
Ethoxylate Market Studies with the Focus on Identifying Domestically and Globally High-use and High Added Value Grades	 شرکت نفت پارس کیمیا	Shazand Petrochemical Company	2021				★	
Acetic Acid Project Feasibility: Market, Technology and Economic Analysis	 گروه توسعه انرژی نفت و گاز لوان Lavan oil & Gas Energy Development Group	Lavan Oil & Gas Energy Development Group	2021			★	★	★
Designing the Optimal Investment Strategy and Development of the Propylene Value Chain	 شرکت پلی پروپیلن جام	Jam Polypropylene Company	2021	★	★			★
Maleic Anhydride Project Feasibility: Market, Technology and Economic Analysis	 مدیریت ثروت پایا	Paya Wealth Management	2021			★	★	★
Reviewing Megatrends of Oil and Gas Industry with the Approach of Identifying Technological Developments	 پژوهشگاه صنعت نفت	Research Institute of Petroleum Industry	2021	★			★	
Ethylene Amines Project Feasibility: Market, Technology and Economic Analysis	 Exir Danesh Arash	Exir Danesh Arash Chemical Industries Company	2021	★	★	★	★	★
Conceptual and Feasibility Study: Market, Technical and Economic Analysis of the Petrochemical Mega Project for Production of Polypropylene, Polyvinyl Chloride, Propylene Oxide and Synthetic Ethanol from Natural Gas Feedstock	 پتروشیمی باهمان Bahman Petrochemical Co.	Bahman Group Petro Refinery Company	2021	★	★	★	★	
Methanol to Ethanol Project Feasibility: Market, Technology and Economic Analysis - Considering the Infrastructure of Zagros Petrochemical Company	 پتروشیمی زاگرس ZAGROS PETROCHEMICAL	Zagros Petrochemical Company	2022		★	★	★	★
Analysis and Identification of Actual and Potential Product Markets and Completion of the Value Chain of Bouali Sina Petrochemical Complex	 شرکت نفت پارس کیمیا	Bouali Sina Petrochemical Company	2022	★	★	★	★	
PDH450 Complex Project Feasibility: Market, Technology and Economic Analysis	 پترو پردیس جنوب Petro Pardis Jonobe Co. (P.J.Co)	South Petropardis Company	2022		★	★	★	
MTPP120 Complex Project Feasibility: Market, Technology and Economic Analysis	 پتروشیمی آبریشام رسپادانا	Abrisham Riss Spadana Company	2022			★	★	
GTPP120 Complex Project Feasibility: Market, Technology and Economic Analysis	 گروه نفت خراسان	Khorasan Petrochemical Co.	2022			★	★	
Conceptual Study on Investment Opportunities and Development Plans for Abadan Petrochemical Company	 شرکت نفت آبادان	Abadan Petrochemical Company	2022	★	★	★	★	
Analysis of Opportunities in the Petrochemical Field and Proposal of Selected Projects According to the Preferences and Priorities of the Investors	 راهبردهای هوشمند	Intelligent Solutions ins.	2022	★	★	★	★	
Conceptual Study with the Aim of Designing the Methanol Petrochemical Park Map	 گروه توسعه انرژی نفت خراسان	Persian Gulf Petrochemical Complementary Industries Development and Investment Group	2022	★	★			★
Ammonium Sulfate Project Feasibility: Market, Technology and Economic Analysis		Petro Abad Kavir Arvand	2022			★	★	★
Acetic Acid Value Chain Project Feasibility: Market, Technology and Economic Analysis	 گروه توسعه انرژی نفت خراسان	Persian Gulf Petrochemical Complementary Industries Development and Investment Group	2022			★	★	★
Studies of the Structure, Trend and Performance of the Domestic and Global Caustic Soda Market and Identification of Selected Investment Opportunities of the Chlorine Value Chain	 سازه سزان	Sazeh Sazan Company	2022	★	★			★
Fundamental Studies and Investigation of Investment Opportunities in the Petrochemical Field According to the Preferences and Priorities of the Investor	 گروه صنایع بازر	Bazar International Industries Group	2022	★	★			★
